Who am I?

I’m Abdulaziz. My friends call me Aziz, Ezzo or Zizo. Ask them and they’ll tell you I’m brave, loyal and the first to show up when someone needs a hand.

The short version? I’m an easygoing guy who likes a good laugh.

One guy, many sides

My experience

I worked as a commercial photographer for over

3 years

Then I tried a few roles in production and learned how to take an idea from the first conversation to the final cut, and how to keep an eye on the budget along the way. Today I’m a producer, and sometimes a project manager too.
